**Yaghout
Nab Pars**

ABOUT

Yaghout Nab Pars is a privately owned company with 15 years of experience in **producing, processing and exporting** various types of raisins and dates. We buy our raw material from trustful local farmers. We are one of the best and greatest producers and exporters in the region, with 7 days a week production on 3 lines. The company is located in **Malayer**, known as the World Grapes city which has high quality grapes, Sultana ,Golden and Sun dried raisins. Malayer is a city in the Hamadan Province, western Iran.

GLOBAL RECOGNITION

The system of grape production in **Malayer** has been **registered** as the 53rd major item of the **Globally Important Agricultural Heritage Systems (GIAHS)** in December 2018.

Food and Agriculture
Organization of the
United Nations

**AGRICULTURAL
HERITAGE**
Systems

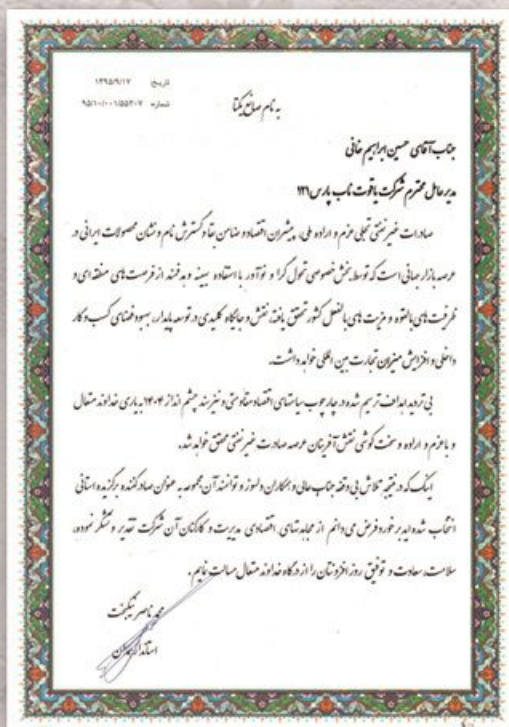

GIAHS

Globally Important Agricultural
Heritage Systems

The GIAHS is an initiative of the **Food and Agriculture Organization (FAO)**, aimed at identifying, introducing and protecting global agricultural heritage.

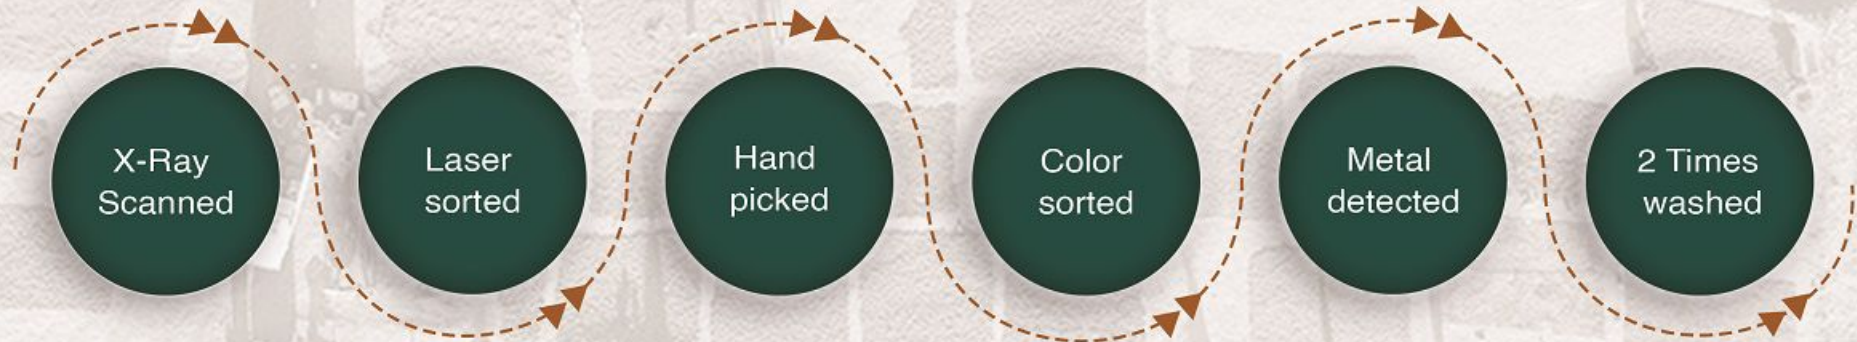

AWARDS

Several Awards have been received from the Chamber of Commerce as the **leading producer and exporter of raisins** from Malayer in Iran.

QUALITY CONTROLS & CERTIFICATES

Yaghout Nab Pars is using fully mechanized devices:

SULTANA MALAYER RAISINS

- Sultana Raisins from Malayer
- Seedless and naturally sweet taste
- Natural Raisins or coated with acid free oil according to your preference (e.g. sunflower, rapeseed, paraffin)
- Color light to dark brown

**YAGHOUT
NABPARS**

**SULTANA
MALAYER
RAISINS**

GOLDEN MALAYER RAISINS

- Golden Raisins from Malayer
- Seedless, naturally sweet and fruity taste
- Natural Raisins or coated with acid free oil according to your preference (e.g. sunflower, rapeseed, paraffin)
- Made using sulfur fumigation process and shade dried so they are golden amber

YAGHOUT NAB PARS

GOLDEN
MALAYER
RAISINS

SUN-DRIED MALAYER RAISINS

- Sun-Dried Raisins from Malayer
- Seedless grapes
- Sun drying in direct sunlight is seen as a natural way to produce raisins that not only gives them a particular intense flavor but also maintains the delicate balance of nutrients of the original grape fruit
- Color dark brown from sunlight

KASHMAR RAISINS

- Long Raisins produced from seedless grapes, known as the typical Iranian raisins
- Raisins from Kashmar, city in the Khorasan Province, north-eastern Iran
- Famous for its special sweet and sour taste and its long length shape
- The golden color changes to amber after using sulfur fumigation process and shade dried
